Other Attendees

N/A

Additional Notes

- N/A

Updates and Discussion

1. Crystal: Publicity Updates

- a. Graphic design group has many Toby designs lined up
- b. Cold-emailing is still in progress
- c. Interns are doing analysis on data and looking for donors
- d. Final presentation will be a marketing plan proposal

2. Kenneth: Curriculum Updates

- a. The FCA collaboration has ended because they decided to run classes on their own without our support
 - i. In the future, we should formally onboard them as RFA volunteers
 - ii. FCA volunteers developed the curriculum, and we provided them with students and money -- future partnerships should have our copyright
- b. Confirmed pilot classes this fall for the curricula Python Data Science, Climate Change, and Astronomy
- c. Curriculum development will be separated from the new intern system due to its nature; volunteers felt constrained with the timing
- d. Starting to revise VEX GO curriculum

3. Ben: Recruitment Updates

- a. TFA publicity stopped recruiting
- b. Volunteers who are above “college age” will be joining as a “mentor”
- c. Opening new recruitment leadership positions soon

4. William: Financial Updates

- a. Kelly got our Stripe account back
- b. Isabella collected data from the online rosters
 - i. A group of students consistently attend
 - ii. These come from different teachers, meaning the different teachers are not a deciding factor of whether or not they take classes at RFA

5. Danielle: Secretary Related Updates

- a. Everything has been running smoothly
- b. September Advisory Board Meeting availability form will be sent out next week

6. Aarushi: Mentoring for All Updates

- a. Tasks are going to be finalized, so by the end of next week all interns will be sorted
- b. Temporarily paused MFA because there hasn't been much success in the past year
 - i. Website will still have resources
 - ii. Volunteers will shift their attention to tasks in RFA

7. Amari: Tutoring for All Updates

- a. Surveyed all tutors and students/parents/teachers for logistics
- b. Publicity is still running

8. Victoria: Crafts for Charity Updates

- a. Opened recruitment to people 18+ for more experienced volunteers
- b. Revised bylaws

9. Max and Garrett: General Organization Updates

- a. Leadership Training written portion on Notion is almost done; making videos should be done by the end of September
- b. Software Development Team has been working well
 - i. One main project is building a substitute teacher contact Slackbot
 - ii. Other small tasks are being completed

In-person Class Strategy

- The VEX GO curriculum was a success at Hayward
- A couple locations fell through, but currently looking at schools in Palo Alto
- Strategy: acquire volunteers before securing school partnerships so that we are prepared

New Intern System

- Some intern tasks do not fit well with giving a final project
- Discussion tabled for a later board meeting after we receive feedback from the interns

New Leadership Positions, Delegation of Leadership Positions

- Will create a new org chart on miro for all the leadership positions in RFA

Summary of Action Items

N/A

Total time taken: 58 minutes

Maximilian Gotez, President - Robotics for All, Inc.

Garrett Tieng, Vice President - Robotics for All, Inc.
